

Feb 10th - WARRS meeting

Called to order at 8:30 Pm by Pres. Emerson.
Due to severe rain, very low attendance.

Pres. Emerson spoke on Press releases by
Amateur Radio Groups. Also, possible club
activity at V.A. Hospital where several disabled
hams could use some help with station, and
a visit from some fellow hams.

V.P. John Porter spoke on Electronic Keyer,
and explained the logic circuit he used on his
latest design. The design was demonstrated
and several members tried the keyer unit.

meeting adjourned at 9:30 Pm.
